

Projects  
I've Done

description + text  
of highlighted  
project

Contact Me

unsure of  
picture content right  
now

option to select thumbnail  
for project or click on  
right/left arrows. when  
pictures are in large box (ie-  
selected), description text  
changes. unsure if clicking on  
large box will open link in new  
tab or if I'll have a link button to  
take you outside of webpage.
